

Established in 1992, JEF Ltd. is a Hong Kong based tin box manufacturer with its own production facility in China.

We are specialised in supplying tinplate boxes packaging for tea, chocolate, sweets, biscuits and cosmetics manufacturers and distributors.

Our products are also used as packaging in various other fields like tobacco, stationery, CDs, DVDs, spirits, candles, games or textile items.

For further information, please check our website www.jef.com.hk.

Our Tin Can Factory

Our factory, which employs 500 well-trained workers is located in Bao An City, Shenzhen, China.

We have one of the most extensive tooling ranges on the market, and welcome any new shape you might be interested in.

Our Tin Box Showroom

We have a large showroom in Hong Kong, where we display all of 800 references.

This will help you make an informed decision on your preferred tin-box packaging.
